

Yarndogs' Summer Kids' Camps are Back for 2009!

Otis will be there...
will you?

Send your child to **Yarndogs' Kids' Camps** this summer for a chance to express her or his fiber creativity in a fun, relaxing, encouraging environment.

These camps are for children aged 7-15 who either already knit or crochet or want to learn. No previous experience is needed. We'll adapt projects to individual skill levels. Campers will work on projects that develop and build knitting, crocheting or felting skills, based on the children's interests and strengths. Examples of what campers will create include:

Cellphone/iPod holder
Felted Jewelry
Blanket

Felted Bag
Scarf
Hacky Sacks

Wristwarmers
Hat
Socks

Cost is \$110 per week, which includes in-store practice materials, and snacks and drinks for breaks. Per-day rate, with a two-day minimum, \$25. Campers --- and their parents --- get a 10% discount on purchases during camp week.

Camps take place from 10 a.m.-noon Monday-Friday of the following weeks:

June 22
June 29

July 13
July 20

August 3
August 10

Call now to reserve a spot!

Space is limited to ensure your child gets
plenty of individual attention.
